

Prayer Bulletin

January 2011

Let's make 2011 a year characterized by standing together in prayer!

Life Church, Peterborough, UK

Life Church is entering an exciting season as it begins exploring with Stamford Community Church what it would mean to join together as a multi-congregation church. Please pray for real wisdom for the leaders and all members of these bodies as they look to build one church, with two congregations, involved in many missions. Pray especially for the important times over the coming months when they begin to explore being together in more detail, including the four 'joint celebrations' coming up.

Valga, Estonia

In December the church in Valga finished running their first Alpha course. About 15 guests completed the course and all want to get involved in church and are absolutely positive about their journeys to find out more about God. It has been a great boost for the church as a whole and has brought unity and excitement about what God is doing. They hope to start another Alpha in February to keep the ball rolling. Please pray for the guests from the last Alpha to get connected to church well and for plans for future Alpha(s). Also

please keep praying for the continued leadership development in the church. This month Elisabeth Bakhuisen, who moved to Valga with her husband Arnoud and family in 2009, will be 7 months pregnant with their third child, please pray for her health. Please pray also for some new potential business contacts in Holland for the family as these are desperately needed to establish their own income, pray that they will see fruit and lasting business relationships formed from this.

Lowestoft Community Church, UK

In mid-January, Rob and Karen Foreman of Lowestoft Community Church will begin their first trip visiting and serving some of the churches in Northern Europe in response to a passion and prophetic calling God has given them. Please pray for them and their journeys, and for God to really bless the churches they work in.

Relational Mission

As we enter 2011 our relationships as churches are growing more than ever – praise God! Please pray for wisdom as we explore together how best to serve each other as churches within the *Newfrontiers* family, and try to organize how best to communicate and interact. Please pray for all the events and opportunities that God will provide this year for us to grow together, and thanks for all He did with us so faithfully in 2010.
