## FEATURED BOOKS

Reaching the Nations  
by Mike Frisby

It remains an important task to equip & train those called to serve God in another culture, language or country. Dealing with issues of calling, character and competency Mike Frisby offers practical and wise advice for the local church.

Global Humility  
by Andrew McCullough

The aspect that needs training, more than any other, in cross-cultural workers, is humility. Pride and mission are polar opposites. Pride pollutes mission but the mission of Christ is humble mission.
